## Anywhere in Action

## Key Features

### Simple to Use Anywhere, Integration Needed Nowhere

Created in your dashboard with one click, Anywhere links work seamlessly across third-party platforms, no javascript required.

### Optimize Your Revenue

No matter where you share Anywhere links, enabling Optimize ensures that they're being directed to the highest-paying retailer.

### Create a monetized link directly from a retailer's site

With our Bookmarklet tool, determine affiliation status and generate an affiliate link with one click.
